**Attribution-NonCommercial-NoDerivs 3.0 Unported**

**You are free:**

**to Share** — to copy, distribute, and transmit the work

**Under the following conditions:**

**Attribution.** You must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work).

**Noncommercial.** You may not use this work for commercial purposes.

**No Derivative Works.** You may not alter, transform, or build upon this work.

- For any reuse or distribution, you must make clear to others the license terms of this work. The best way to do this is with a link to <http://creativecommons.org/licenses/by-nc-nd/3.0/>

- Any of these conditions can be waived if you get permission from the copyright holder.

- Nothing in this license impairs or restricts the author’s moral rights.

**Your fair dealing and other rights are in no way affected by the above.**

This is a human-readable summary of the Legal Code (the full license).

The Legal Code is available at

<http://creativecommons.org/licenses/by-nc-nd/3.0/legalcode>.
